SRS AUCTION SERVICES #17652

We are excited to announce....

For the first time in our horse auction history, we will be using DV Auctions to broadcast our auction today on the internet and take online bids. We love to see customers in person bidding at our auctions but are excited to offer these horses to bidders in other states and areas. Please be patient with us as we try to adjust and honor these online bids. Thanks to all of those who are here today!!

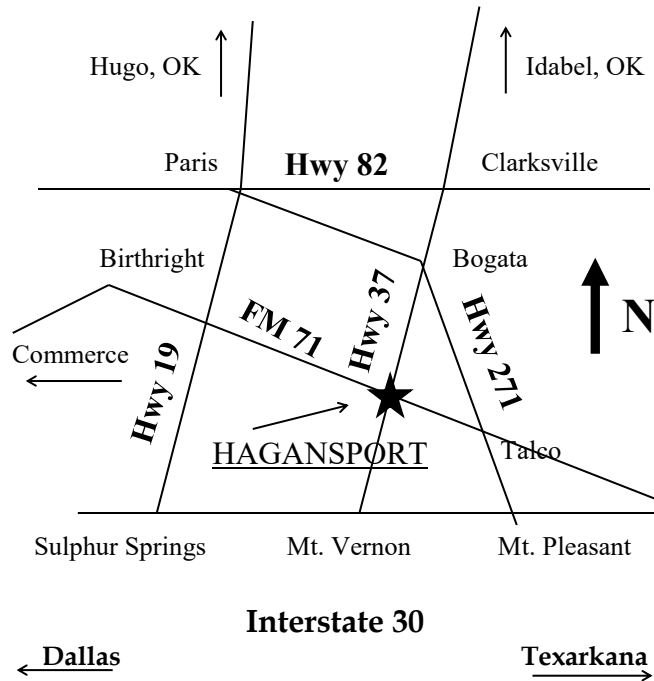

For those who can't be here or just want to watch online, please use this QR code.

Auctioneer Note: Please don't pay any attention to the "X" on a hip number. It doesn't mean anything different from any other horse. In order for us to get horses into the appropriate sessions, we had to duplicate numbers because we had already ordered the tags prior to taking consignments. We are so thankful for all these consignments!

Map to Hagansport, Texas

Location:

Once you come into the small community of Hagansport, there will be the intersection of FM 71 & Hwy 37. You may start parking at any location (Community Center, County Barn, houses: if it doesn't block anyone in)...

If pasture gates are open, you may park in there. The horse sale is one block east of Hwy 37 on left. There is a pasture to the south in which trucks and trailers may park. Please do not block the gas pumps. This may sound a little country, but it's not that bad.

Just make yourself at home. This is just a down home and family atmosphere. If you need anything or have any questions, we will be glad to help you.

ACCOMODATIONS:

Motel located in Mt. Vernon
12 miles south of sale location
(903) 588-2882 - for reservations

Trailer parking available

**WELCOME TO OUR
27th ANNUAL FALL HORSE SALE**

We would like to say thank you to both the buyers and sellers. Without you, this sale would not be possible. We're always open to suggestions in helping make our sale better.

This is our 27th Annual Fall Sale. I would like to personally thank everyone that is and has been attending our sales over the years. If you were here at the first sale, I think it's unbelievable how things have changed. I think you would agree! We look forward to this Fall sale since we took off or canceled the Spring Sale for family events. You will find a good selection in the horses of color & ranch horse sections as well as consignments from horsemen you've come to know and first time consignors, with horses to fill your needs. There is something to interest every type of buyer, so help yourself.

In all the hustle of getting things ready, its easy to overlook the family, friends, and neighbors who help do what it takes to make the sale come together. Please know that we truly appreciate your help and support in making this sale happen.

***Thank You,
Joe Stanley***

About Our Catalog & Sales

We would like to thank everyone who has helped and encouraged us to put this catalog and sale together. Over the years of our consignment sales, we have had consignors that return and understand our rules and deadlines. We would like to inform the new buyers and sellers of those rules and deadlines for future reference.

Our ideal consignment deadline for the catalog is 3 weeks prior to the sale date or until we reach the limit on the number of head.

Consignment fees are \$100 per horse for the regular session OR \$150 per horse for the special session and due when consigned or can be deducted from sale of horse(s). There is no pass out fee and an 8% commission fee if sale price is over \$2,500 and 10% if under.

For those who choose to be after the catalog, their horses will be sold on a first come, first served basis unless you would like to BUY IN right after the catalog for an additional \$50. We start giving numbers at 7a.m. Sunday morning. You may bring your paperwork (coggins and/or registration) and reserve early numbers and bring your horse(s) later in the day. No pens will be guaranteed for non-cataloged horses until later on in the sale. There is a \$25 pass out fee and an 8% commission fee if sale price is over \$2,500 and 10% if under, but no consignment fee. Please, no uncontrollable stallions.

Our next Horse Sale is scheduled for May 18, 2025, so be sure to get your consignment information to us by mail or email (srsaddlery@yahoo.com), or text (903) 439-9013, or stop in the office with a copy of registration papers, footnotes, and consignor information as soon as possible.

ALL HORSES, Catalog and After Catalog, MUST be brought through the ring at their appropriate time to be auctioned. We have advertised this sale in a multi-state area online, with flyers, and mailed catalogs to prospective buyers. If a horse is a PO in the ring and a buyer & seller came to an agreement while the horse is still on sale grounds, then you must run it through the office.

No Alley Trades

Thank you

Attention Buyers:

TERMS & CONDITIONS

BIDDING

Each horse will sell to the highest bidder with permission of the seller. If a tie results between two bidders, the auctioneer will open the bidding up between those two bidders only. In case of a dispute, the auctioneer shall have sole authority to settle the bid.

Each bidder must have a buyer's number to bid. The auctioneer may decline any bids and his decision shall be final.

PAYMENT

All horses are to be paid for the day of the sale. No horse shall leave the grounds without a bill of sale. Cash, all major credit or bank cards, travelers and bank checks will be accepted. There is a 5% buyer's premium, which is waived for cash or check payments. Positive identification is required to receive a buyer's number. A \$30 returned check fee will be added to any insufficient funds check accepted.

RISK

The buyer becomes responsible for his or her purchase as soon as the horse leaves the auction ring. If you must leave your horse overnight, arrangements must be made with our office staff. Your horse/horses may be picked up between 8 am - 5 pm the following day unless other arrangements have been made.

HEALTH

All horses will have negative coggins test with the exception of foals that are under 8 months of age.

ANNOUNCEMENTS

Any announcements made the day of the sale shall take precedence over printed information within this catalog. We will call to your attention, the day of the sale, any printed errors, deletions, or changes that may have occurred after the printing of this catalog. Please be sure and pay close attention to these announcements, for we act as agents only.

LIABILITY

All buyers and spectators attend the sale at their own risk. SRS Auction Services, Stanley Equipment & Horse Sales, Sulphur River Saddlery, Inc., and Red Rooster Cafe shall not be liable for accidents to people, property or horses. Please watch your kiddos.

Attention Sellers:

Thank you for coming and participating in our sale. Without you it wouldn't be possible. We are always looking for ways to improve our sale and have included a few helpful guidelines that we have learned from past sales that should help things run smoothly today.

Please make note of the following:

*****Stanley's Horse Sale is licensed and bonded by Packers and Stockyards, completely functioning under Packers and Stockyard's rules and regulations.*

*****All sellers attend the sale at their own risk. SRS Auction Services, Stanley's Equipment and Horse Sales, Sulphur River Saddlery, Inc., or Red Rooster Cafe shall not be liable for accidents to people, property or horses.*

*****You are responsible for your horse, its safety and getting it in the correct number order. We will help as much as we can, but we do need some cooperation on your part. If you, the seller, want to leave and go home, be sure and tell someone in the office of your intentions and your reserve so that we can make arrangements to have your horse brought through the ring and sold for you in your absence. If arrangements are not made, your horse could be sold at the end of the sale, once located, and for any amount.*

*****If you decide to pull your horse early for what ever reason before or the day of the sale, then you are required to pay the catalog fee or pass out fee, your papers will be held for one week and then mailed to you. This applies only if you pull your horse early.*

*****If you can't lead or ride your horse in the ring, we have people that will for a fee. You must make arrangements, if needed, before sale time!*

*****Checks WILL NOT be given or mailed until at least Wednesday following the sale. We have been staying up late every night getting things ready. Our books will not close until late Sunday night, and we would like to have an opportunity to look over everything sold and write checks without any errors. Please, please, give us these few days so that my wife & help don't leave for over working them!!*

*****We will help you in every way possible. If you need anything or don't understand something, please ask and we will be happy to accommodate you. We want to sell your horse in an orderly fashion. Your help and understanding would be greatly appreciated!*

FALL HORSE SESSIONS **FOR THE MONEY \$\$\$**

Horses of Color (Hip #40 - 54)
Horses of Color/Ranch (Hip #55 - 59)
Ranch Horses (Hip #60 - 65)

We are proud to announce our
Fall Horse Sessions.

Every spring we usually have a session limited to Ranch/ Rope Horses only, so in the fall we have a Horses of Color session open to anything that has color. Since we were unable to have a sale in the spring, we thought we'd have the Ranch/Rope session this fall as well! Each session will be eligible for a \$500 cash prize to the consignor if their horse is the highest seller.

Everyone loves color and using horses and these sessions showcases these types of horses.

Consignors pay extra and request to be in these sessions. The Horses of Color/Ranch are grouped in their own special stalling area.

They are sold in succession and highlighted here.

The high seller in each session today will receive \$500 as a token of appreciation for bringing a great horse with color or ranch horse to the sale.

We hope buyers appreciate this good group of horses brought to you and take advantage of the opportunity to purchase what can be hard to find.

Guidelines

We've discovered the need to set a few guidelines to help clarify who receives the \$500.

TIE

If the highest horses sell for the same amount, then each consignor will split the \$500 prize.

ANNOUNCEMENT

The highest selling horse and winner will be announced **15 minutes** after the last horse in the session is sold.

BOUGHT AFTER SESSION

If a buyer decides to buy (or a seller decides to sell) a horse that was a PO during the session and if this amount becomes the highest, then it will be considered the high seller as long as it is bought or decided **BEFORE** the announcement has been made.

DISCLAIMER

The prize money will not be given to the winner until checks are given. If we feel or discover the money was won in a dishonest manner, then it will be given to the second highest seller.

'Boone' is 5 yr old AQHA registered gelding. He stands 15.0 hands. He is a good looking bay roan with good substance and conformation. He was born & raised on a ranch in Montana. They took him to the cutting pen, used him on the ranch while there as well. Our client bought him last year. He also used him on his ranch gathering, penning and sorting cattle. His business grew and he got too busy to ride him. He hated to see him sit, so he asked us to market him. We have used him here on the ranch, have taken him on big trail rides, got him started nice on barrels and roped on him a little. He is very willing & has tons of potential to be a reined cowhorse, team sorting horse, barrel horse, team roping horse, turn back horse or just a nice trail riding gelding. He has great ground manners and is good for your whole family to be around. We have taken him to several events and he hauls good and gets along with the other horses. He is definitely an easy keeper, too. You really can't go wrong in investing in this gorgeous gelding with tons of smarts and willingness to learn.

MOONSHINE HAS BEEN ON PLENTY OF TRAIL RIDES. SHE'S NOT SPOOKED, GOOD WITH HER EARS AND STANDS STILL FOR THE FARRIER. MOONSHINE IS GENTLE BROKE FOR JUST ABOUT ANYONE TO RIDE. SHE'S COLORED UP, GENTLE AND WOULD MAKE ANYONE AN AWESOME RIDING COMPANION.

#69
MOLLY MULE
10 YEAR OLD

CONSIGNOR: JODY STANLEY

I JUST RECENTLY PURCHASED THIS RIDING MULE & SHE SEEMS TO BE REALY GENTLE. GREAT DISPOSITION, EASY TO CATCH, ALTHOUGH WHEN YOU GO TO SADDLE HER, DON'T TIE HER UP & GO IN SLOW WITH YOUR PAD & SADDLE; AFTER THAT SHE SEEMS TO BE GOOD! HER BIGGEST PROBLEM IS THAT SHE REALLY HASN'T BEEN HANDLED IN THE LAST 5 YEARS DUE TO THE OWNER PASSING. I THINK SHE'S GOOD LOOKING & HAS POTENTIAL & IN THE RIGHT PLACE WOULD BE WORTH A LOT.

WEANLING SESSION

Every fall auction we sell the weanlings off of a set of AQHA mares that all have color from a nice AQHA gray stallion.

There were only 8 this year & probably the best group being sold on application.
We plan to put all the colts in the ring & sell choice to the highest bidder.

NON-CATALOG HORSES

Now we begin the non-catalog horse sale.

There are still many good horses in this group.

Many sellers have missed the catalog deadline and will sell next. We know these sellers have some quality horses.

At the end of the sale we will run a large group of loose horses of all shapes and sizes.

There will be some horses and sellers that we (Stanley's Horse Sales) do not know anything about, unlike the ones in the catalog. Therefore, there are no guarantees on these horses or their papers/paperwork, etc.

We will call to your attention anything we might see inside the ring. This is the first time we (Stanley's Horse Sales) have seen these horses and their papers. We are unable to view the horses and their papers prior to the sale ring, so be sure to examine all horses before purchasing them.

Stick around.....for there is still a large assortment of horses.

Sometimes, the best is yet to come!

THANKS AGAIN FOR YOUR CONTINUED SUPPORT

AND
